

#### On Line Assessment Search Instructions:

Type in the information in any ONE of the search boxes and click on Submit Query at the bottom of the search page.

When searching by address, enter street number and/or street name only. Do not enter in North, South, East or West. If you would like to narrow your results more use the drop down box for street type.

For example: If the address is 9130 North Pelham Parkway, type 9130 in the box next to Street Number and Pelham in the box next to Street Name. Click on Submit Query and your search results will be displayed.

PLEASE NOTE: When typing in Parcel ID (tax key) do not use the first zero in number.

For example: if the parcel id is 021-0072, type in 210072 and then click on Submit Query.
